The meeting instructed the Clerk to write to MBC expressing concerns that the existing building was not redundant. The Parish Council is concerned that this application could set a precedent for any similar and future ventures. Also that it had the potential to increase traffic nuisances along Main Street in Wymondham since it sits on a dangerous bend in that road at Wymondham.

Finally, there are concerns with regard to the design and consequent massing of the proposed new structure in such a small footprint.

079 To receive items for the next agenda

None.
